Hi Rob!

We are looking forward to this opportunity for President Standifer, Harriet, and Jessica, and other local tribal leaders and environmental directors to meet with EPA officials visiting from Headquarters to discuss life, work, and issues in Alaska. I do appreciate your knowledge, interest, and insights, as well as your contributions to the Native Village of Tyonek as a policy advisor. However, this meeting is by invitation only. Time and attendance are strictly limited to 1 hour with those local tribal leaders and environmental directors that have been invited. I really hope you and President Standifer understand, and I look forward to talking with you later this week.

Sincerely,
